## 二、克漏字測驗

Dear sir,

I bought two things from your website. They are the Magic Mop and the Super Toothbrush for pet dogs. I got them on October ninth. According to the return policy, I can exchange it in seven days. My dog likes your brush. It helps me a lot when I brush its teeth. It is easy to use and also easy to clean. The Magic Mop is a spin mop, a no-hand-washing mop. It turns and you don't have to wash it with hands. After mopping the floor with it, there is water on the floor. It isn't like its name. It's not magic but dangerous. I don't like 26. mop. I'd like to exchange it. Today is October 15. It's the 27. day, but today is Sunday. I can't exchange it on Sunday, so I write this email to you. Please help me exchange the mop 28. Monday. Thank you.
